4. The Company has formed agreements with non-executive director Hideaki Fukutake, Katsumi Ihara and Mutsuo Iwai limiting liability for damages provided in Paragraph 1 of Article 423 of the Companies Act. Based on the said agreements, in the case that such an outside director has been in good faith and without gross negligence in performing his duties, the limit for liability for damages is the higher of the following: 10 million yen or the minimum liability amount provided in Paragraph 1 of Article 425 of the Companies Act. The Company plans to form the same agreement with the candidates for director Yumiko Noda and Kohey Takashima if they are elected.
5. The Company has taken out a directors and officers' liability insurance policy covering all directors. This indemnifies directors covered by the policy from bearing liability relating to the execution of their duties and any losses arising as a result of claims relating to pursuit of such liability. However, there are some exemptions, including no indemnification of any such losses that may arise from deliberate misconduct or gross negligence. If a candidate is appointed as a director, he or she will be covered by this liability insurance, and the company intends to renew the relevant insurance policy with the same provisions during the directors' terms of office.
